

School Performance Fact Sheet 2014 & 2015 Calendar Years  
 Fundamentals of Fabrication – (600 Hours)

On Time Completion Rates

Calendar Year	Number of Students Who Began the Program	Students Available for Graduation	Graduates	Completion Rate
2013 - 2014	73	73	68	93%
2014 - 2015	102	102	93	91%

**Number of Students Who Began Program** - Number of students that when they signed their enrollment agreement were given an estimated completion date in the year being reported and did not cancel within 7 days of their enrollment.

**Students Available for Graduation** - The number of students who began the program minus the number of students who before graduation have died, were incarcerated or were call to active military duty.

**Graduates** - The number of students that begin the program and graduated by the date that was listed in their enrollment agreement, when that date was in the reporting year.

**Completion Rate** - The number of Graduates divided by the Number of Students Available for Graduation.

Students Completing after Published Program Length (150% Completion Rate)

Calendar Year	Number of Students Who Began the Program	Students Available for Graduation	150% Graduates	150% Completion Rate
2013 - 2014	0	0	0	0
2014 - 2015	0	0	0	0

**Number of Students Who Began Program** - Number of students that when they signed their enrollment agreement were given an estimated completion date in the year being reported and did not cancel within 7 days of their enrollment.

 Rancho Cucamonga, CA 91730

**Students Available for Graduation** - The number of students who began the program minus the number of students who before graduation have died, were incarcerated or were call to active military duty.

**150% Graduates** - The number of students that begin the program and graduated after the date that was listed in their enrollment agreement but within 150% of the date that was listed in their enrollment agreement, when the graduation date was in the reporting year.

**150% Completion Rate** - The number of 150% Graduates divided by the Number of Students Available for Graduation.

Placement Rates

Calendar Year	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate Employed in the Field	Graduates Employed in the Field an Average of less than 32 Hours	Graduates Employed in the Field at least 32 hours per week
2013 - 2014	73	68	61		0	0
2014 - 2015	93	84	67	80%	0	67

**Number of Graduates** is the number of students who have completed the program within 100% of the published program length.

**Graduates Available for Employment** - The number of graduates minus the number of graduates who died, were incarcerated or were call to active military duty or were international students that left the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau approved postsecondary institution.

**Graduates Employed in the Field** - means graduates who are gainfully employed in a single position for which the institution represents the program prepares its graduates within six months after a student completes the applicable educational program. For occupations for which the state requires passing an examination, the period of employment shall begin within six months of the announcement of the examination results for the first examination available after a student completes an applicable educational program.

**Placement Rate** - Calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.

Examination Passage Rates - The Fundamentals of Fabrication program does not lead to employment for which passage of a state licensing examination is required.
