Structural Metal Fabricators and Fitters: <http://onetonline.org/link/summary/51-2041.00>

Licensure Requirements⁶

*Program has no licensure requirements in any state.

Additional Information:

While the actual placement rate using the State of California's BPPE methodology for calculating the institution's Placement Rate is so stated in this template, the BPPE directed schools to not report a performance with the inclusion of the following statement, "Because of the changes in the Bureau's reporting regulations, which became effective on July 14, 2016, this institution was not required to collect the data for its 2015 and prior graduates." The school has complied with the state's directive as found in its School Catalog and its Performance Fact Sheet Disclosure.

Date Created: 3/1/2017

These disclosures are required by the U.S. Department of Education

Footnotes:

- ¹ The share of students who completed the program within 100% of normal time (25 weeks).
- ² The share of students who borrowed Federal, private, and/or institutional loans to help pay for college.
- ³ The median debt of borrowers who completed this program. This debt includes federal, private, and institutional loans.
- ⁴ The median monthly loan payment for students who completed this program if it were repaid over ten years at a 4.66% interest rate.
- ⁵ The median earnings of program graduates who received Federal aid.
- ⁶ Some States require students to graduate from a state approved program in order to obtain a license to practice a profession in those States.

7. State Job Placement Rate:

Name of the state this placement rate is calculated for:

California

Follow the link below to find out who is included in the calculation of this rate:

<http://thefabschool.com/consumer-information/> (<http://thefabschool.com/consumer-information/>)
