

SCHOOL PERFORMANCE FACT SHEET CALENDAR YEARS 2016 & 2017

Fundamentals of Fabrication - 728 Clock Hours

On-Time Completion Rates (Graduation Rates)

Includes data for the two calendar years prior to reporting.

⁴ "On-time Completion Rate" is the number of on-time graduates divided by the number of students available for graduation.

Calendar Year	Number of Students Who Began the Program	Students Available for Graduation	Number of On-Time Graduates	On-Time Completion Rate
2016	N/A	N/A	N/A	N/A
2017	N/A	N/A	N/A	N/A

"This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data." This modified version of our original 600-clock hour Fundamental of Fabrication program held its first class in April 2018. The estimated date of availability for two full years of data is December 1, 2021.

Student's Initials: _____ Date: _____

Initial only after you have had sufficient time to read and understand the information.

Job Placement Rates

Includes data for the two calendar years prior to reporting.

Calendar Year	Number of Students Who Began Program	Number of Graduates	Graduates Available for Employment	Graduates Employed in the Field	Placement Rate % Employed in the Field
2016	N/A	N/A	N/A	N/A	N/A
2017	N/A	N/A	N/A	N/A	N/A

"This program is new. Therefore, the number of students who graduate, the number of students who are placed, or the starting salary you can earn after finishing the educational program are unknown at this time. Information regarding general salary and placement statistics may be available from government sources or from the institution, but is not equivalent to actual performance data." Federal Student Loan Debt

Most recent three - year cohort default rate, as reported by the United State Department of Education. ¹	The percentage of enrolled students in 2017 receiving federal student loans to pay for this program.	The average amount of federal student loan debt of 2017 graduates who took out federal student loans at this institution.	The percentage of graduates in 2017 who took out federal student loans to pay for this program.
14.6%	N/A	\$4,246.31	N/A

¹The percentage of students who defaulted on their federal student loans is called the Cohort Default Rate (CDR). It shows the percentage of this school's students who were more than 270 days (9 months) behind on their federal student loans within three years of when the first payment was due. This is the most recent CDR reported by the U.S. Department of Education.

Definitions

- “Number of Students Who Began the Program” means the number of students who began a program who were scheduled to complete the program within 100% of the published program length within the reporting calendar year and excludes all students who cancelled during the cancellation period.
- “Students Available for Graduation” is the number of students who began the program minus the number of students who have died, been incarcerated, or been called to active military duty.
- “Number of On-time Graduates” is the number of students who completed the program within 100% of the published program length within the reporting calendar year.
- “On-time Completion Rate” is the number of on-time graduates divided by the number of students available for graduation.
- “Graduates Available for Employment” means the number of graduates minus the number of graduates unavailable for employment.
- “Graduates Unavailable for Employment” means the graduates who, after graduation, die, become incarcerated, are called to active military duty, are international students that leave the United States or do not have a visa allowing employment in the United States, or are continuing their education in an accredited or bureau-approved postsecondary institution.
- “Graduates Employed in the Field” means graduates who beginning within six months after a student completes the applicable educational program are gainfully employed, whose employment has been reported, and for whom the institution has documented verification of employment. For occupations for which the state requires passing an examination, the six months period begins after the announcement of the examination results for the first examination available after a student completes an applicable educational program.
- “Placement Rate Employed in the Field” is calculated by dividing the number of graduates gainfully employed in the field by the number of graduates available for employment.
- “Number of Graduates Taking Exam” is the number of graduates who took the first available exam in the reported calendar year.
- “First Available Exam Date” is the date for the first available exam after a student completed a program.
- “Passage Rate” is calculated by dividing the number of graduates who passed the exam by the number of graduates who took the reported licensing exam.
- “Number Who Passed First Available Exam” is the number of graduates who took and passed the first available licensing exam after completing the program.
- “Salary” is as reported by graduate or graduate’s employer.
- “No Salary Information Reported” is the number of graduates for whom, after making reasonable attempts, the school was not able to obtain salary information.

STUDENT'S RIGHT TO CANCEL

An applicant requesting cancellation of his/her Enrollment Agreement after signing such agreement and making an initial payment, but prior to entering the school, is entitled to a full refund of all monies paid. All monies paid by an applicant must be refunded within thirty (30) calendar days after signing an enrollment agreement and making an initial payment.

A student shall have the right to cancel an agreement for a program of instruction without penalty or obligation (subject to the equipment clause below), through attendance at the first-class session, or midnight of the seventh (7th) calendar day after enrollment, whichever is later.

Cancellation shall occur when the student gives written notice of cancellation to the school at the campus of original enrollment. The written notice of cancellation, if given by mail, is effective when deposited in the mail properly addressed with postage prepaid. The written notice of cancellation need not take a particular form and, however expressed, is effective if it indicates the student's desire not to be bound by the agreement.

If the agreement is cancelled, the school shall refund within 45 days any consideration paid by the student, less a registration fee of two hundred fifty dollars (\$185.00) If the school gave the student any equipment*, the student shall return the equipment thirty (30) days following the notice of cancellation. If the student fails to return the equipment within thirty (30) day period, in good condition**, the school may retain that portion of the consideration paid by the student equal to the documented cost to the institution of the equipment. The student may retain the equipment without further obligation to pay for it.

*Equipment includes all instructional materials, supplies, tools, or any other goods related to this Enrollment Agreement for the course of instruction.

**Good condition does not include equipment that has a broken seal, marked or damaged in any way, or cannot be reused because of clearly recognized reasons.

Student's Initials: _____ Date: _____
